# LETTER FROM THE PASTOR:

## DEAR FAMILIES OF PRINCE OF PEACE CATHOLIC SCHOOL,

Welcome to Prince of Peace School! Whether you're a returning family or a new family, I'm confident that you have made an educated decision to enroll your child or children in our wonderful Catholic School. Good choice!

As you know, I am new to the Prince of Peace family and I have encountered an extremely welcoming community that believes in the values of our Catholic faith, especially as it relates to outreach to the less fortunate. We hope to instill these same values in our students through the witness and example of our outstanding and dedicated teachers and administrative staff members.

As we come off of an unprecedented 2020-2021 school year due to the COVID-19 pandemic, it is with much optimism, faith, hope and love that we embark on the 2021-2022 school year.

I look forward to getting to know you and serving you as your pastor for years to come.

Again, welcome, and may God bless you Prince of Peace School!

Father Michael Forge  
Pastor

# INFLUENCING THE WORLD FOR CHRIST

— PRINCE OF PEACE CATHOLIC SCHOOL —

## **MISSION STATEMENT**

Prince of Peace Catholic School is devoted to instilling strong Catholic values, fostering a life of faith and servant leadership, providing a challenging academic environment and inspiring each student to shine to the fullest extent of his or her God-given potential.

## **VISION STATEMENT**

We cultivate faithful servants and inspired leaders who are motivated and well-equipped to influence the world for Christ.

## **HISTORY OF THE SCHOOL**

On August 19, 1991, Prince of Peace Catholic School opened its doors for the first time. Our school was started from the vision of our founding pastor, the late Fr. Jim Balint.

Fr. Jim's vision was to provide a vibrant Catholic Community for the West Plano area. Many families worked hard to be the first in line while sleeping overnight in tents to ensure their children were able to enroll in the founding Preschool classes. The original site of the school was at the Preston and Park intersection in the strip mall that is now where the Studio Movie Grill is located.

## **PRINCE OF PEACE STUDENT PLEDGE**

I am a member of Prince of Peace Catholic School. As a child of God and a servant to others, I am honest, responsible, and respectful of myself and others at all times.

## **110 FINANCIAL REQUIREMENTS**

Prince of Peace Catholic School expects all families who have a child or children enrolled in the school to pay tuition and fees promptly when due. Failure to pay tuition and fees when due impairs the ability of the school to provide quality education for all students. At the same time, we recognize that there may be exceptional cases of a family experiencing temporary financial difficulty due to loss of employment, illness, or other factors beyond the family's control. In such case, it is the responsibility of the family to contact the School Finance Office promptly and work out suitable arrangements or apply for emergency tuition assistance as may be available. We suggest that any family with a tuition delinquency in excess of 45 days contact the School Finance Office immediately to seek emergency tuition assistance. Failure to communicate promptly with the School Finance Office on this issue may adversely impact the student's continued enrollment in Prince of Peace.

### **Annual or Monthly Tuition Payment**

The School has engaged FACTS Management Services as its third-party tuition billing service. Families may elect to pay tuition for a school year in one installment due in May, or in twelve (12) monthly installments commencing in May for the school year beginning in August. Tuition payments will only be accepted through FACTS Management Services. Each family will be provided with instructions for enrollment with their registration package. It is the family's responsibility to enroll in the FACTS Tuition Payment Program. Please enroll before submitting the online enrollment to Prince of Peace School. Enrollment will not be official with POP until an active FACTS agreement has been created. Enrollment for students whose tuition is delinquent by May 31 may be cancelled at the discretion of the school. In no event will the student be permitted to attend class at the beginning of the school year unless the delinquency is cured in full or alternative arrangements are made with the School Finance Office. In the event that two (2) or more monthly tuition payments are delinquent prior to the commencement of a school semester, the student will not be permitted to attend class at the start of the semester. In no event will a student be permitted to begin a school year if any portion of the previous school year's tuition is delinquent. In addition, for any tuition delinquency, the School, at its sole discretion, may issue incomplete report cards.

### **Eighth Grade Financial Requirements**

Per the diocese, in order to fully participate in graduation activities, all debts for Eighth Grade students must be cleared by the first Monday of May.

### **Registration and Other Fees**

Registration and other required fees are paid through FACTS Management Services at enrollment. Enrollment for students whose families are not current in the registration or other required fees by May 31st may be cancelled at the discretion of the school. In no event will the student be permitted to attend class at the commencement of the school year unless the delinquency is cured in full or alternative arrangements are made with the School Finance Office.

### **111 STEWARDSHIP TO PRINCE OF PEACE CATHOLIC COMMUNITY**

Prince of Peace Catholic School is a ministry of Prince of Peace Catholic Community. Since the Community provides a significant portion of the expense of operating the School, parents are expected to participate in the Community stewardship program in order to qualify for the Parishioner Tuition Rate. Participation is understood to mean that (i) at least one of the parents is an active Roman Catholic; (ii) that the family is registered in the Community; (iii) that they have submitted a current year pledge to the Community; and (iv) that they have a minimum of \$1000.00 of qualifying Community contributions (i.e. General Fund, Debt Reduction, and Easter, Thanksgiving, Christmas or any capital campaign contributions) posted to their envelope account during the calendar year. Failure to have a minimum of \$1000.00 of qualifying Community contributions received in the Accounting Office by December 31st will result in Non-Parishioner tuition rates for January

through April being charged. Also, families will have to register for the next school year as a non-parishioner.

## **112 OFFICE RECORDS**

Parents/Guardians are requested to notify the School Office in writing of any change of address, home telephone numbers, cell phone numbers, business phone numbers, e-mail addresses and/or phone numbers of emergency contacts. This will guarantee that office records are accurate, complete, and up-to-date. Family Directory is confidential and should not be shared for promotional purposes.

## **113 REPORT CARDS**

Report cards are prepared at the close of each quarter of the school year for students in grades one through eight. Report cards for kindergarten are prepared at the close of quarters two through four. Eligibility checks are prepared at the midpoint of each quarter for students in grades 5-8.

**A = 94-100**

**B = 86-93**

**C = 76-85**

**D = 70-75**

**E = 69 or below**

## **114 PROMOTION REQUIREMENTS**

A student is advanced to the next level/grade if all requirements have been met and the school agrees that advancement to the next level/grade is beneficial to the child. An on-going assessment program occurs throughout the school year at each grade level to provide information regarding the student's promotion. Policies regarding conditional promotion or retention apply when a student demonstrates academic difficulty

throughout a school year. The following policies clarify the conditions under which a student is required to attend summer school/tutoring or repeat the grade. The goal of these policies is to provide additional opportunities to master the objectives.

### ***Retention Policy for Kindergarten***

A student may be retained at the end of the school year and must repeat Kindergarten if the teacher and administration determines the student is academically, socially, or emotionally unprepared for 1st grade.

### ***Retention Policy for First through Eighth Grade***

A student is retained at the end of the school year and must repeat the grade if the student has a final report card average of N (Needs Improvement) or a grade of 69 or below in two core subjects. At any time during the school year and preferably before the end of the first quarter, when a student is identified as being unsuccessful in his/her core subjects according to established indicators (such as academic performance and attendance records) the possibility of retention exists. A conference with the administration, parents/guardian, and the classroom teacher will be held to determine a plan of action. The decision to retain rests with the school principal. Sixth through Eighth graders who are retained must repeat the grade at another school.

### ***Conditional Promotion for First through Eighth Grade***

A student who meets the following criteria on their report card is required to make up the deficiency.

- A student in grades 1-2 who receives a final average of N (Needs Improvement), or a grade of 69 or below in grade 3 in

any one of the following subjects:  
reading, math, or english.

- A student in grades 4-8 who receives a final average of 69 or below in any one of the following subjects: religion, ELA, math, science, or social studies.

The student is required to complete one of the following programs in the targeted area(s) in order to be promoted to the next grade and return to Prince of Peace:

1) summer school coursework from an accredited public or private school, or 2) twenty hours of tutoring by a degreed teacher certified in the subject to be tutored. In some cases, other special programs or summer work approved by the Principal may be permitted.

## **115 ACCREDITATION**

Prince of Peace Catholic School is part of the Catholic School System of the Diocese of Dallas. The Texas Catholic Conference Education Department (TCCED), approved by the Texas Education Agency (TEA), accredits our school.

## **116 GOVERNANCE AND ADVISORY COUNCIL**

The Prince of Peace Catholic School has an Advisory Council that provides direction, advice, and recommends actions on general policies for the overall operation of the school to the Pastor and school administration. The Advisory Council works with the Pastor, President, Principal and the Community at Large. It also interfaces with the Catholic School Advisory Diocese Council. Regular School Advisory Council meetings are held monthly.

### **Parent Volunteer Organization (PVO)**

The PVO of the school is a support between the parents and school in

implementing various parts of our school program while promoting the spiritual, educational, and physical welfare of our students. PVO membership is required of registered families of the School.

## **200 SERIES: COMMUNITY RELATIONS**

### **201 PARENT ROLE IN EDUCATION**

We at Prince of Peace Catholic School consider it a privilege to work with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life: physically, mentally, spiritually, emotionally, and psychologically. Your choice of Prince of Peace Catholic School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life. Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter into a partnership with us at Prince of Peace Catholic School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty in order to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner

in the quest of challenging, yet nourishing, the student to reach his/her potential. It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make investigation of both sides of the story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships. Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security.

It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she is capable of becoming.

## **202 PARENTS AS PARTNERS**

As partners in the educational process at Prince of Peace Catholic School, we ask parents to set rules, times, and limits so that your child:

- Gets to bed early on school nights.

- Arrives at school on time and is picked up on time at the end of the day.
- Is dressed according to the school dress code.
- Completes assignments on time.
- Has lunch money or a nutritional sack lunch every day.

Parents as partners also:

- Actively participate in school activities such as Parent-Teacher Conferences.
- See that the student pays for any damage to school books or property due to carelessness or neglect on the part of the student.
- Notify the school with a written note when the student has been absent or tardy.
- Notify the school office of any changes of address or important phone numbers.
- Meet all financial obligations to the school.
- Inform the school of any special situation regarding the student's well-being, safety, and health.
- Complete and return to school any requested information promptly.
- Read school notes and newsletters to show interest in the student's total education.
- Support the religious and educational goals of the school.
- Support and cooperate with the discipline policy of the school.
- Treat teachers with respect and courtesy in discussing student concerns.

Students whose parents violate the Parents as Partners agreement and guidelines set forth in this handbook may be excluded from Prince of Peace Catholic School.

## **203 ACADEMIC CALENDAR**

All schools in the Diocese of Dallas are required to have a minimum of 180 days of instruction in the school year. School is in session for grades K-8 at least seven hours every day, “bell-to-bell.” School is in session for grades K-3 from 7:55 a.m.- 3:00 p.m. and for grades 4-8 from 7:55 a.m. - 3:30 p.m.

## **204 CHILD ADVOCACY**

In accordance with the laws of the State of Texas and the policies of the Diocese of Dallas, faculty and staff members of the School are required to report any suspected cases of child abuse or neglect. Diocesan policy states: “The Texas Family Code requires any person having cause to believe that a child’s physical or mental health or welfare has been or may be adversely affected by abuse or neglect must report the case to the local law enforcement agency or to Child Protective Services.”

## **205 EFFECTIVE COMMUNICATION**

Good communication between home and school is desirable since teachers and staff partner with parents in the students’ educational and personal development. Forgotten lunches and eyeglasses are accepted in the front office with the intent these items are going to be delivered to your child the day they are dropped off. Please understand that our focus is on the students at arrival and dismissal times. While we are most interested in communication with our families, the staff is not available for discussions during these critical time periods. Should you have a question, concern, or observation regarding a student and/or our school, please leave a message in the spirit of

cooperation on the teacher’s voicemail or e-mail and the teacher will contact you by the end of the following school day. Please note that staff will not be responsible for responding during their personal time, including nights and weekends. Please do not leave messages of a confidential nature. All concerns pertaining to a student’s religious, academic and social development must first be discussed with the student’s teacher. If a satisfactory conclusion cannot be met, families may schedule an appointment with the School Administration, if appropriate.

## **206 INCLEMENT WEATHER AND EMERGENCY CLOSINGS**

In the event of inclement weather, parents are advised to watch Channel 5 (NBC) for bulletins regarding the closing or delayed opening of school. Other stations will not contain our announcements. Notices will also be posted on the school website. If Plano Independent School District (PISD) closes due to inclement weather, Prince of Peace will close also. Early dismissals, late starts, or emergency school closings do not automatically coincide with decisions by PISD. In the event of an emergency school closing, including early dismissal or late starts, the automated phone system–Parent Alert–will notify parents. For this reason, all contact information must be kept current with the school office and on RenWeb. E-mail and text messaging are also acceptable and possible forms of communication. Parents are asked to check e-mail messages regularly.

## **207 EMERGENCY PROCEDURES**

School conducts one evacuation drill a month and either a shelter in place, lock out, or lock down drill.

## **208 USE OF SCHOOL GROUNDS**

The school building during the school day is for the sole use of the children and faculty/staff. The school building acts as a community center after 6:00 pm each day for various church organization and community groups. Permission for the use of the school building after hours must be obtained in advance of the usage from the Director of Facilities church and placed on the calendar.

## **300 SERIES: STUDENTS' CURRICULUM AND INSTRUCTION**

### **301 CURRICULUM**

We follow the Diocese of Dallas Curriculum Guides. Basic to the curriculum is the study of religion, language arts, mathematics, science, social studies, computer science, fine arts, physical education, Spanish, and sensory-motor skills.

### **302 PROGRAMS FOR MEETING ALL STUDENTS' NEEDS**

Prince of Peace Catholic School teachers work diligently to differentiate instruction to meet the needs of all students. Students with diagnosed learning differences have access to the STAR Center to receive extra support. This center is only available for students with a diagnosis of any type of learning difference.

## **303 OFF CAMPUS PHYSICAL EDUCATION**

Off campus P.E. credit is only available to sixth - eighth grade students who meet the requirements set by the state and the Diocese of Dallas. The documentation has to be reviewed and approved by the Principal.

## **304 ACADEMIC RECOGNITION**

We seek to motivate each student to be a successful student. Because interests and gifts vary widely, we seek to challenge each student to make personal improvements according to their ability.

## **305 ACADEMIC/ BEHAVIOR NOTICES**

Academic and Behavior Notices provide information for the parent and student regarding areas that need attention, either academically or behaviorally. The purpose of notices is to further partnership between home and school. These include notices concerning missing homework and uniform violations. Academic and conduct alerts will be sent electronically through RenWeb.

## **306 HOMEWORK GUIDELINES**

- Independent study
- Independent research
- Independent skills practice

### **Student Responsibilities**

- It is the responsibility of the student to turn assignments in on time with the understanding that if they did not bring

their homework to school the day it is due their parent/guardian is not allowed to deliver it to the front office in hopes of them obtaining it before the assignment is due. Please see section 205 for a description of what can be delivered to the front office with the intent of their child receiving it that particular day.

- It is the responsibility of the student to obtain homework when absent.
- It is the responsibility of the student to communicate to the teacher any mitigating circumstances that prevent completion of assignments.

- In the event of illness the student is required to bring in any long-term assignments when they return to school.
- The family must make arrangements with the classroom teacher for completion of work to be submitted late due to an excused absence.

### **309 FAITH FORMATION AND RELIGIOUS EDUCATION**

K-8th grade students celebrate Mass weekly. This enables students to worship as members of the school community.

### **Special Note from the Pastor**

The School and the parents cooperate in the faith formation of our students. Basic to the Catholic tradition is gathering with the Community each Sunday to deepen our faith through Word and Sacrament. It is expected that parents of Catholic children will provide the opportunity for their children to be formed in this tradition. The weekday Mass in the presence of the school children does not substitute for Sunday Mass with the Community.

### **310 CONFERENCES**

Parent/Teacher Conferences will be offered bi-annually. Additional conferences may be scheduled at mutually convenient times at the family or teacher's request. The conferences will be a time to share important information regarding the student's progress and to establish goals and objectives for the future.

### **STUDENT SERVICES**

#### **311 DISCIPLINE**

At the school, parents/guardians, staff, and students form a community seeking spiritual, intellectual, physical, and social development of competent and responsible young men and women. Our discipline program establishes rules of conduct and procedures for student behavior at the school. "Trust" and "honor" are words that embody the moral and ethical foundation of the mission of Prince of Peace Catholic School. Ours is a structure that defines and promotes these values within the School community. The School pledge represents the highest ideals of moral development, integrity, and achievement, as well as respect for the ideas, work, and property of others.

## **POP Student Pledge**

***I am a member of Prince of Peace Catholic School.***

***As a child of God and a servant to others,  
I am honest, responsible, and respectful of  
myself and others at all times.***

### ***Virtue-Based Restorative Discipline***

Prince of Peace Catholic School is a Virtue-Based Restorative Discipline School. This initiative is a Catholic response to discipline, and has two goals.

- Decrease anti-social behavior
- Bullying behaviors
- Disruptive behaviors
- Increase faith practices
- Evangelization
- Sacramental Practices
- Virtue education

In the VBRD model, we see misbehavior in the context of the whole child both at home and school. This does not replace the discipline policy, but rather builds upon what we have so as to provide a stronger connection to our faith teaching in assuring that love of God and one another is reflected in our discipline practices. The following tasks are the foundation of this initiative.

- We will cultivate personal virtues as a school community.
- We will commit to being constructive in the way we interact with others.

When harm is caused by misbehavior of any kind, we will address it within the context of faith identity to make amends. We will repair and restore relationships first because we want to live a virtuous life, loving God and neighbor, and because we want to do unto others as we would have them do unto us. "Think About It" forms will be sent home with students to aid in repairing relationships. The forms also reinforce the parents and teachers as partners in guiding children. Rather

than focus on "bullying" we will look at all behaviors that are disruptive in the school day. Many times behavior is mislabeled as bullying, when in fact, we need to specifically identify the behaviors as harm, humiliation or intimidation. Bullying is a label that can cause distress to both parents and their children, as it does not always accurately describe the circumstances needing adult intervention. The four guiding principles in VBRD:

- We will dedicate ourselves to living virtues.
- We will support others in living virtues.
- We will commit to constructive thoughts, words and deeds.
- When faced with challenges or conflicts, we will find solutions that cultivate virtues for ourselves and for one another.

Parents will have resources for using VBRD at home as a way to create a consistent approach to personal growth in virtue, while emphasizing the intrinsic dignity of the human person when disciplining their children.

### ***Reporting***

Anyone witnessing, hearing or having knowledge of anti-social behaviors is to report this information directly to teachers or administrators for investigation.

### ***Procedure for Appeal and Review of Expulsion***

Parish school expulsions may be appealed to the President, whose decision on the matter shall be final and unappealable. At Prince of Peace, the Pastor is not responsible for student discipline and delegates those responsibilities to the President and Principal. Operational matters, solely defined at the discretion of the Pastor, are also delegated to the President of the school, and in those

matters, the President's decision shall be final and binding without right of further appeal.

### **322 ATTENDANCE**

Regular and prompt attendance is an important component to the success of a student's school learning experiences. Should a situation occur that requires a student to be absent, call the school office to report the absence by 8:45 a.m. on that day. A signed note explaining the absence must be sent to the office when the student returns to school.

#### **Absences**

After five (5) or more consecutive days of absence due to illness, a note from the student's doctor is required in conjunction with his/her return to school. A student must be present at least two consecutive hours to be considered in attendance for one half day, and at least four hours to be considered in attendance for one full day. Special circumstances need to be discussed with the administration. A student does not receive credit for a class or for the school year if she/he is in attendance less than 90% of the number of school days in a year. It is assumed that an absence rate of 18 days per school year impairs the student's mastery of required grade level material. Long term absences due to vacation need to be discussed with Administration prior to leaving. **K – 8th Grade Tardies when arriving to school 6 tardies equal 1 absence.**

### **Management of Life-Threatening Allergies Policy Identification of Children at Risk**

- It is the responsibility of the anaphylactic/potentially anaphylactic child's parents to inform the school principal of their child's allergy.
- All staff members need to be made aware of these children.
- It is recommended that each child should wear a MedicAlert® bracelet that states his or her allergy(s).
- A list of each child's allergy should be kept discretely in the child's teacher's Day Book and the School Nurse's office.

### **Availability and Location of EpiPens® and Benadryl**

- Anaphylactic or potentially anaphylactic children who have been issued a prescription for an EpiPen® shall supply 2 EpiPens as well as Benadryl to the school nurse for use in case of an emergency.
- It is recommended that each child should wear a MedicAlert® bracelet that states his or her allergy(s).
- Children who are no longer allergic or no longer require an EpiPen® must present a letter of explanation from their allergist.
- EpiPens®, Benadryl and a copy of the student's allergy action plan will be brought on field trips.

### **Treatment Protocol**

- An individual treatment protocol needs to be established by the child's allergist. The school cannot assume responsibility for treatment in the absence of such a protocol. A copy of this should be delivered to the School Nurse.

- To manage an emergency, a routine must be established and practiced. In our training session, we have worked on the following:
  - One person stays with the injured individual at all times.
  - One person goes for help.
  - Administer epinephrine at the first sign of severe reaction or Benadryl at the first sign of a mild reaction as specified by the student's allergy action plan. There are no contraindications to the use of epinephrine for a potentially life-threatening allergic reaction.
  - Note time of administration.
  - Call 911 and regardless of the degree of reaction or response to epinephrine, transfer the child to an emergency room.
- Symptoms may recur up to eight hours after exposure to allergen. A staff member will stay with the child until a parent or guardian arrives.
- Contact the child's parents as soon as possible.
- Staff is encouraged to listen to the concerns of the anaphylactic child. The child usually knows when he/she is having a reaction, even before signs manifest.

### **Training**

- Each year there should be an awareness session and training for all staff, which includes a demonstration on the use of the EpiPen®.
- Substitute teachers will be advised of at-risk children in their class and emergency protocol for such children.

### **Allergen Awareness/Allergen Avoidance**

The question of banning anything in schools is controversial. We live in a world that is contaminated with potential

allergens. Anaphylactic children must learn to avoid specific triggers. While the key responsibility lies with the anaphylactic individual and his family, in the case of a young anaphylactic child, the school community must also be aware. In our school, the significant allergies are to peanut and nuts. There are allergies to other foods and insect/wasp stings as well. In the classrooms of anaphylactic children, care is taken to avoid allergens. Foods containing nuts of any kind are not allowed to be consumed or used for crafts in the classroom. Parents should consult with the teacher before supplying food or craft materials to these classrooms. In short, the risk of accidental exposure to a food allergen has been significantly diminished although it can never be completely removed. Given that anaphylaxis can be triggered by minute amounts of allergen, food anaphylactic children must be encouraged to follow certain guidelines:

- Eat only food which they have brought from home unless it is packaged, clearly labeled and approved by their parents.
- Parents are asked to provide a special treat that the teacher can give to the allergic child in place of treats brought in by other students.
- Wash hands before eating.
- Do not share food, utensils or containers.
- Place food on a napkin or wax paper rather than in direct contact with a desk or table.

A nut-free table will be available in the cafeteria for children in grades K-2 with nut allergies. Parents need to inform the school in writing if they do not want their child with a nut allergy to sit at the nut-free table.

## **327 BIRTHDAYS**

Birthday treats are not allowed to be brought to school. We encourage parents to eat with their child in the Cana center during the child's lunch period to celebrate their birthday. Each class will celebrate birthdays with their own traditions.

## **TECHNOLOGY USAGE**

### **328 COMPUTER ETHICS**

The School has implemented a technology plan to prepare its students to meet the challenges of a technologically advanced society. The School provides access to educational software and the Internet, for research and communication. This access enriches the student's educational instruction. ### **329 DEVICES**

All 5-8 grade students will be bringing family-owned devices from home for use at school and at home. While on campus, these devices are to be used solely for the purpose of learning. Students should have one tablet or laptop in each class every day. Students are not to use cellular devices at school. Phones and smart watches are to be stowed while on campus. Any phone or smart watch that is out or audible during the school day without expressed permission will be turned in to the Dean of Students. Teachers will determine if phones are allowed for individual assignments or projects and will notify the Tech Office, parents, students, and other teachers. Students are expected to comply with all policies and procedures. Any student who fails to comply with these procedures may be denied access to technology use. Consequences may include turning in personal devices to Admin for storage during the school day.

### **330 INTERNET USAGE**

Our children have many wonderful resources available at their fingertips. There are several websites that are popular with our students. These websites allow children to communicate with their friends, sharing pictures and personal information. Children today seek this high-speed communication. Parents are encouraged to take the time and explore these websites.

### **331 SOCIAL MEDIA**

Engagement in on-line social media may result in disciplinary actions if the content of the student's account includes defamatory comments regarding the

school, the faculty, other students or the parish.

### **332 BULLYING AND CYBER BULLYING**

Prince of Peace Catholic School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (seriously or in jest, whether in person or online) may face detention, suspension, and/or expulsion

### **333 SOCIAL MEDIA GUIDELINES**

With the rise of social media outlets available to students, it is imperative that both parents and students are aware of the responsibility associated with using these tools. Being able to post information, videos, and pictures allows students to open their worlds beyond the classroom. Students are able to share knowledge with others and collaborate to increase understanding. However, every time a student posts something online, it contributes to their digital footprint. It is important to remember that once something is posted online, it could be there forever. Stay safe online and think before you post. When posting on social media, never give out any personal information, including, but not limited to: phone numbers, addresses, last names, passwords, etc. If you run across something inappropriate or something that makes you feel uncomfortable, report it immediately to a teacher or an adult. Remember, when posting on social media, you are representing Prince of Peace Catholic School. Always abide by the code of conduct. Students who do not adhere to these expectations may lose their privilege of access to technology at Prince of Peace

Catholic School.

### **334 EMAIL**

All 5-8 grade students will be given an email address through Prince of Peace Catholic School. These email addresses are a privilege and not a right. These are not personal email addresses and are intended to be used solely for academic purposes. Students are to abide by the code of the conduct when composing emails. When composing emails, students should pay strict attention to spelling rules and grammatical structure. The Prince of Peace Catholic School emailing system is not to be used to register for non-instructional social media sites, newsletters, etc. Failure to adhere to any of these expectations may result in disciplinary action.

### **335 MONITORED USE**

Any technology that is the property of Prince of Peace Catholic School will be monitored by the administrative team. This includes, but is not limited to: email messages, internet usage, tablet/laptop usage, etc. This applies to students, teachers, staff, and anyone else using technology that is property of or on the property of POP. Because the technology uses resources that belong to POP, it is not private, and the administrative team reserves the right to monitor and/or deny student access.

## **SERIES 400: ATHLETIC POLICY**

### **401 ATHLETIC ADVISORY COUNCIL (AAC)**

The Prince of Peace Catholic School Athletic Advisory Council (“AAC”) is a committee made up of parent volunteers who provide advice to the Principal and Athletic Director about DPL sports. While

the AAC provides advice and guidance as requested, the AAC is an advisory council only – final authority related to DPL sports rests with the School’s Athletic Director and Principal. In addition to its advisory role, the AAC also helps plan and execute events related to recognition of DPL sports’ teams. If you are interested in joining the AAC, please contact the School’s Athletic Director.

### **402 ATHLETIC PHILOSOPHY**

The Prince of Peace Catholic School Athletic Program (the “Athletic Program”) exists for the sole benefit of the students who participate in the Athletic Program. The focus of the Athletic Program is a Christ-centered program open to the school students who are enrolled in the fifth through eighth grades at Prince of Peace Catholic School. All fifth through eighth grade students who meet grade eligibility and conduct eligibility requirements have the opportunity to participate in the Athletic Program. The Athletic Program focuses on team unity, sportsmanship, skills development, and having fun. A primary goal of the Athletic Program is to develop the whole athlete. It is also a primary goal of the Athletic Program to assist in developing bodies, minds and spiritual beings into strong and contributing members of our society, our School, and our Church. Our Athletic Program seeks to teach our athletes to strive for their personal bests and to maximize their contribution and sense of commitment to their team. Teaching the importance of winning vs. losing and how to handle either outcome are secondary goals. At its core, the mission of the Athletic Program is to foster an environment in which participating students realize a sense of personal accomplishment and fun

and also realize the satisfaction that one feels in contributing to a team effort.

### **403 DALLAS PAROCHIAL LEAGUE**

Prince of Peace Catholic School participates in the Dallas Parochial League (“DPL”), which is the governing athletic organization serving the Catholic schools in the Diocese of Dallas. The DPL sets policy and acts as an overall coordinator for the various sporting competitions it offers. The Prince of Peace Catholic School Athletic Director (“AD”) and the AAC will structure and manage the Athletic Program at Prince of Peace in accordance with the philosophy and policies of the DPL.

#### **Sports offered at Prince of Peace**

Fall: Football, Flag Football, Volleyball, Cheerleading, Cross Country.

Winter: Basketball.

Spring: Baseball, Softball, Track & Field.

Tournament: Soccer, Tennis, Golf, Swim.

### **404 STUDENT PARTICIPATION**

DPL sports are offered for students in grades 5-8.

#### **Student Responsibilities and Expectations**

- All student athletes must meet or exceed the academic and conduct standards as noted above and in the POP Parent & Student Athletic Covenant.
- All student athletes will be required to submit a Parent Release form as well as a sports physical dated after June 1 of the applicable academic year. All physicals are good for one year from date administered. No student athlete will be allowed to participate in the Athletic Program unless a sports physical for that student athlete is both current and on file with the AD.

- All families must sign and agree to the POP Parent & Student Athletic Covenant before beginning the applicable sports season.
- Each student athlete will be responsible for his or her respective uniform and for maintaining it and cleaning it in the manner specified by the AD and the coach of the team. Uniforms will be returned to the AD at the end of each season. If a uniform is lost or damaged, the student athlete will be charged \$100.00 for the replacement cost of the uniform.
- Any student athlete that is absent from school or leaves school during the day due to illness will NOT be permitted to participate in any practices or games that same day.
- If a student athlete prematurely leaves a team because of scheduling conflicts due to select/club or lack of interest, then that student athlete shall forfeit the opportunity to play that same DPL sport in the following season.
- Prince of Peace Catholic School encourages students to “play out the season since you made the commitment” – both because it is the right thing to do for your team and to set a good example for the younger students.
- Student athletes shall abide by the mission set forth by Prince of Peace Catholic School with respect to proper sportsmanship-like conduct at both home events as well as away games.
- Student Athletes shall respect ALL property, including uniforms and sports equipment.
- Student Athletes will not litter on or vandalize any property or facilities.

## **Tryout Process**

- In grades 6-8, team placement is coordinated by the AD after holding tryouts, and players will be placed on teams commensurate with their skill levels. Thus, players with the highest skill level are typically placed on a Division I ("DI") team and players with a lesser skill level are typically placed on a Division II ("DII") team.
- In grade 5, team placement is also coordinated by the AD after holding tryouts, and the goal is to form teams that contain a mix of players – some of the players on each team will have higher skills and some of the players on each team will have lesser skills.
- In grades 6-8, upon signing up for a particular sport, students are given the option to try out for a DI team. These tryouts are optional. If a student wishes not to participate in the tryout, he/she will be placed on a DII team. Students who tryout and are not selected for a DI team will be placed on a DII team. Students who miss the tryout date due to schedule conflicts or out-of-town travel will be placed on a team based on the recommendation of the AD. Provisions will be made for those students who miss the tryout due to documented illness or injury. Under these circumstances, the affected / student(s) will be evaluated at one or two practice sessions and subsequently placed on a team, based on the recommendation of the coaches and the AD.
- All tryouts will be run and conducted by outside experienced coaches selected by the AD. The AD, with recommendations from the outside tryout coaches, will determine the allocation of teams based on available

skill level and number of participants for the season.

- It should be noted that all tryouts are closed to parents and other non-participants.
- Additionally, when participating in a tryout, students are required to refrain from wearing any school or club team apparel.
- Depending upon the number of students who sign up to participate in a sport, the AD will determine whether to hold a tryout. If there are not a sufficient number of players to fill two team rosters, all players who signed up will be placed on a single DI or DII team based on the overall athletic ability of the team as a whole.
- There is no limit to the number of DI or DII teams that a school may present to the league. All divisions are designed to focus on developmental skill and knowledge of the sport. However, DI places more emphasis on competition.

## **Athletic/Academic Probation**

According to DPL, students must be in good standing in both academics and conduct as judged by the administration of their school of attendance. The following is the Academic Probation criteria for Prince of Peace Catholic School:

- Maintain a grade no less than 70 in each subject area.
- No less than a satisfactory rating (S) in areas concerning conduct, effort, or self-discipline (hereafter, the minimum standards).
- The two-week probationary period will begin upon the distribution of quarterly progress reports and report cards. If the student does not meet the minimum standards, he or she will be placed on a two-week athletic probation. During

those two weeks of athletic probation, affected students are prohibited from participating in practices and/or games.

- Once the probationary period expires, the affected students will be assessed again. If the student has shown progress and successfully raised his/her grade and/or conduct above the minimum standard(s), he or she will be permitted to return to his or her team.
- If, after being assessed, a student still exhibits a failing grade or unsatisfactory conduct, he or she will be placed on an additional two-week probationary period. Assessments will continue every two weeks until the student's grades and/or conduct are brought up to the minimum standard(s) or the season ends.

During the Athletic Probation period, it will be the responsibility of the Dean of Students to communicate with affected students and their coaches, as well as the AD. It will be the responsibility of the AD to communicate with the affected students' parents.

#### **405 COACHING, VOLUNTEERS AND FANS**

- Fans are expected to follow the DPL Sportsmanship Code which is included in the registration process for the DPL sports. Please refer to section 319 for the alcohol policy which includes sporting events.
- The AD will coordinate the coach selection process. All coaching applicants are required to submit an application to the AD and AAC for review.
- Prior to each seasonal sport, coaching sign-ups will be available outside the Athletic Office. Any parent wishing to volunteer for a coaching position is encouraged to do so. If there is more

than one applicant for a coaching position, the AD and AAC will make the final decision on who will coach the team. No coaches are guaranteed yearly positions.

- For varsity-level sports (7th and 8th grade), a non-parent coach is preferred over a parent-coach. When selected, each head coach, as well as each assistant, will be required to complete a criminal background check, screening test, and Safe Environment Training Course, and will be required to sign the Prince of Peace Coaches' Guidelines. Each head coach and each assistant coach will also be required to attend any training or certification programs as recommended by the AD or the DPL, such as the "Play Like a Champion" program offered by the DPL.
- Coaches will be subject to immediate removal from the position of coach for violation of any of the Prince of Peace Coaches' Guidelines or DPL rules governing coaches or at the sole discretion of the AD for behavior unbecoming of a coach or inconsistent with student athlete development.
- Assistant coaches may be selected by the approved head coach, with final approval from the AD and AAC.
- All coaches for Prince of Peace Catholic School must be at least 18 years of age.

#### ***DPL Coaching Guidelines***

In addition to the above requirements, Prince of Peace coaches must abide by all DPL Coaching training requirements, guidelines and policies, found at [http://www.dallasparochialleague.com/pdfs/DPL\\_Handbook.pdf](http://www.dallasparochialleague.com/pdfs/DPL_Handbook.pdf)

### **406 MEDICAL EMERGENCY PROCEDURE**

The Emergency Medical Procedure covering all DPL activities in which Prince of Peace Catholic School students participate is the step-by-step process described below. This process will go into effect in the event of an illness or injury involving a student athlete while on the campus of Prince of Peace Catholic Community.

It should always be understood that the health and safety of the athlete is the preeminent concern in the event of a

medical emergency. Every effort should be made to contact the legal guardian of the athlete as soon as possible to direct the medical care of the individual. If the legal guardian is unavailable, it is the responsibility of the AD, if present, or coach of the affected athlete to make reasonable decisions regarding treatment. In the event of a medical emergency, the procedure is as follows:

1. Assess the situation and apply simple first aid.
2. Contact the athlete's Emergency Contact and 911.
3. Contact the AD, who will inform Prince of Peace Administration.

### **407 GYM GUIDELINES**

- All coaches are responsible for making sure that the gym is picked up after their respective practices.
- The coach or a supervising adult should always be the last to leave.
- No unsupervised children are allowed in the gym.
- Do not leave children unattended in the school. Please do not let them run around the school.

The importance of confidentiality regarding the privacy rights of all students must be understood by all parent volunteers at the School. Any information obtained or overheard while volunteering for centers or in any other capacity in or out of the classroom must be kept confidential. The full responsibility for maintaining the confidential and private nature of all records and information will be upheld. It is understood that each volunteer is personally responsible and liable for any violation of this agreement.

## **503 NON-CUSTODIAL PARENTS**

In the absence of a court order to the contrary, we provide the non-custodial parent with access to the academic records and to other school-related information regarding the child. Participation in the cafeteria food service is an option, not a requirement. Any lunches left at home must be labeled with the

student's name and brought to the school office. If a student forgets their lunch, one will be provided, if desired, from the school lunch program, and you will be billed accordingly. Due to space constraints, we are unable to accommodate parents or other family members during lunchtime; however, two family members may join a student for lunch on his/her birthday. Fast food lunch may be brought to the student only for this occasion. Soft drinks are not permitted for any lunch meal.

### **507 PARENTAL COOPERATION AND BEHAVIOR**

All members of the school community, including parents and family members, are expected to comply with all school rules and policies while on campus and in communications with the school. They are to be respectful and cooperate with the school in regards to all decisions affecting the student, and avoid behavior which disrupts the orderly administration of the school. A community member's failure to meet these expectations jeopardizes school administration, requires the school to expend limited resources to address inappropriate and unnecessary behavior, and detracts from the school's core mission and, as a result, may jeopardize a student's continued participation in the school community. At the school's sole discretion, the failure of a student's parents or other family members to comply with these expectations, separate and apart from the student's conduct, may result in suspension or expulsion of the student.

### **Pre-School Bathroom "Potty" Skills**

It is expected that all children are fully potty trained by the time they start Pre-School. We do not allow pull ups at school, children must be in underwear. This means that not only can a child tell an adult that they need to go, but that they can go to the restroom, pull their pants down, get onto the potty, wipe, get off of the potty and pull their pants back up by themselves. We also ask that students can wash their hands as well. All of our classroom bathrooms and sinks have stools for our little ones. As you prepare for the school year, please be sure to practice these skills with your child. We understand that occasionally they may need some assistance, but children should be pretty much there on their own. Thank you for your help!

### **Attendance**

Part-time 3K/4K classes are in session weekly Monday - Friday from 8:00 a.m. - 1:00 p.m., with dismissal from 1:00- 1:10 p.m. Full-time 3K/ 4K classes are in session Monday-Friday 8:00 a.m.-2:50 p.m., with dismissal from 2:50-3:10 p.m.

The 5K full-time classes are in session

daily from 8:00 a.m. - 2:50 p.m., with dismissal from 2:50-3:10 p.m. Regular and prompt attendance is an important component to the success of your child's learning experience. Should a child be required to miss a day of class due to illness or extenuating circumstance, please phone the office (extension 160 or 162) by 8:30 a.m.

## **702 STUDENT SERVICES**

### **CLC IS NUT FREE**

The Children's Learning Center is a nut-free facility from 7:30 a.m. to 3:30 p.m. during school days. Due to some children's very serious, potentially life-threatening allergies to nuts, we request that snacks and lunches provided by parents/guardians also be nut free and that children wash their hands if eating nuts at home just before coming to the CLC. We appreciate your support in helping us provide a safe environment for all the children.

### **Lunch**

Our preschool children have lunch in their regular classrooms. Those who choose to do so may participate in the hot lunch program. If you pack a lunch from home, please keep the following guidelines in mind.

- The CLC is a nut-free facility between the hours of 7:30 a.m. to 3:30 p.m. Parents should not pack lunches or snacks that contain any type of nuts or nut products.
- Fast food lunches are not permitted except for birthday treats.
- Candy is not permitted.
- Child-friendly foods and drinks are recommended. We are encouraging their independence throughout the day, and lunchtime is no exception. Teachers

will certainly assist them when necessary – but your child should be able to open the majority of the items in his/her lunch box on their own.

- Consider the nutritional value of the items you are sending. We understand that children can be picky, but their lunch should provide enough energy to make it through the second half of the day.
- We are unable to warm food for any child.

### **Birthday**

Birthday treats are not allowed to be brought to the CLC. Each class will celebrate birthdays with their own traditions. Please see you child's teacher for how celebrations are held in their classroom.

### **Discipline**

Our discipline policy is based on the philosophy that each child is a special gift from God. The children will have days when they need guidance and direction in assessing and selecting appropriate choices and behaviors. We will guide each child to develop self-discipline by providing consistent and age-appropriate limits. Classroom manners will be discussed by the teachers throughout the year. Behavior will be labeled “acceptable” or “unacceptable” by each teacher. Acceptable behaviors will be encouraged and rewarded at all times. Unacceptable behaviors will be discouraged and redirected; biting and hitting are unacceptable behaviors. A child will be sent home for any biting incident. A parent/teacher conference is required in the event that a student's behavior becomes unmanageable despite all efforts by the staff.

### **Dress Code**

The CLC children are required to wear a school uniform. Please see the uniform requirements that are posted on popschool.net web page. You may also find the uniform requirements in the POP school handbook on page 17-19.

### **Field Trips**

In-house “field trips” will be scheduled throughout the year to further enhance our curriculum. Such activities may include puppet shows, visits from fire/police officers, etc. Parents will be notified when animals are or will be present in the CLC. 5K classes may travel off-site if the activity warrants. Prior to each specific theme- related trip, you will be sent a permission slip with information on itinerary, mode of transportation, and any specific fees.

## **HEALTH POLICIES**

### **Immunizations**

In order for every student to be protected from communicable disease and to be able to participate in school programs, the Texas Department of Health has established minimum health requirements. All students admitted to a school in the Diocese of Dallas are required to furnish a copy of their immunizations to the school office. See the following website link for required immunizations: <http://www.dshs.state.tx.us/immunize/school/#requirements>

### **Hearing and Vision Screening**

Testing will be optional for all 3-year-olds. However, screenings are required for all 4 and 5-year-olds. CLC will provide these tests in the fall or you may see your family physician for testing.

### **Illness**

### ***Communication***

Communication between parents, teachers and The Children’s Learning Center office is vital to the success of your child’s school experiences and our program. The Children’s Learning Center monthly calendar and teachers’ lesson plans are published regularly to inform our families of upcoming activities. Should you have a question, concern, or observation regarding a student and/or our school, please leave a message on the teacher’s voice mail or e-mail. The teacher will follow-up with you within 24 hours. Please do not leave messages of a confidential nature.

For this reason, all contact information must be kept current with the school office and on Ren Web.

### ***705 CURRICULUM***

We follow the Diocese of Dallas Curriculum Guides, which contain and extend the essential elements of the

U.S. Department of Education National Standards. Basic to the curriculum is the study of religion, language arts, mathematics, science, social studies, computer science, fine arts, physical education, Spanish and sensory motor skills. Our curriculum is based on the premise that all children are capable of learning. Teachers and staff in our program are dedicated to developing the unique talents and gifts of each child by providing different avenues for exploration and learning. Young children learn through play and retain best what they are able to touch, handle and manipulate. We have adopted a hands-on, thematic approach to learning. Themes will be school wide, bringing continuity to the program and enabling parents to further develop their child’s learning with the entire family at home. Teachers will focus on specific colors, shapes, numerals, letters and words that correspond with the monthly themes. To enhance our students’ learning experiences, we provide a music and movement curriculum that promotes an appreciation for music and the development of gross motor skills.

### ***PORTFOLIO/ PROGRESS REPORTS***

Progress reports for 3K, 4K & 5K are sent home in January and May. Teachers will maintain a portfolio for each child. The purpose of the portfolio is to show samples of a child’s accomplishments collected over time. It is our hope that your child’s portfolio will clearly show his/her steady growth and development throughout the year. All of the portfolio’s contents including your child’s progress report will be given to you to keep at the end of the school year.

### **Kindergarten Readiness Test**

The Kindergarten Readiness Test and the ongoing evaluation by your child's classroom teacher will be used to assess his or her level of readiness for kindergarten. We look at each student individually to determine if our kindergarten is a good fit for your child. Please understand that attending the CLC program does not automatically guarantee admission to kindergarten. Transitioning a student on to kindergarten who is not developmentally prepared is a disservice to the child in regards to both their academic and social/emotional needs.

## **706: PARENTS**

### **Conferences**

The 3K, 4K & 5K classes will offer parent/teacher conferences twice yearly, in October & May. All conference dates will be written on your child's monthly class calendar. Portfolios and progress reports will be discussed during your individually scheduled conference time.

might have will be settled informally with everyone's cooperation.

Any information obtained or overheard while volunteering in any capacity must be kept confidential. The full responsibility for maintaining the confidential and private nature of all records and information will be upheld. It is understood that each volunteer is personally responsible and liable for any violation of this agreement.
